Attention: Mr. Ricardo Erazo

**Re: Substantial Performance of the Contract  
Dufferin-Peel Catholic District School Board  
2019 Group1 LED Retrofit Projects:  
John Cabot Catholic Secondary School, 635 Willowbank Trail, Mississauga  
St. Vincent de Paul Elementary School, 665 Willowbank Trail, Mississauga  
Father Michael Goetz Secondary School, 330 Central Parkway West, Mississauga  
St. Francis of Assisi Elementary School, 2480 Thorn Lodge Drive, Mississauga  
BBA Project Nos. 18268-18271**

Dear Ricardo:

We have reviewed the above premises between March 23, 2021 and June 16, 2021. The emergency lighting test at Father Michael Goetz Secondary School on June 16, 2021 was acceptable. We have also received your invoices for the latest Payment Certificates. We have now determined that the project is substantially performed in accordance with the Construction Act. Today, June 21, 2021, we are issuing the Certificate of Substantial Performance, a copy of which is attached, for your reference, record, and publication.

The lien period will commence the day you publish a copy of the Certificate in the Daily Commercial News, and will expire 60 days later, not counting the day the Certificate was published. The holdback monies will be due and payable on day 61, provided the following have been completed:

1. No liens have been registered.
2. Worker's Compensation Board "Certificate of Clearance" for Anacond Contracting Inc..
3. Provide the following specified guarantees, commencing the date of publication of the Certificate of Substantial Performance, sealed and countersigned by Anacond Contracting Inc.:
  1. Electrical - General 1 year
  2. Anacond Contracting Inc. 1 year
4. Submit one digital copy on a USB stick and two printed copies in binders of Maintenance Manuals for all materials or items of equipment which require special maintenance or operational procedures to the Architect.
5. Submit one copy of inspection and acceptance certificates required from regulatory agencies ie. Electrical Certificate of Inspection.
6. Submit one set of "As-Built" Electrical Drawings.
7. Submit one copy of a list of all Subcontractors on this project, providing name, person to contact, address, and telephone number.
8. All deficiencies in Architectural and Electrical Site Reports must be corrected.

Continued...

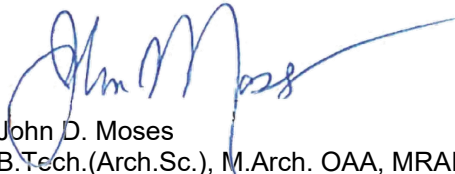

All the above is to be organized into one USB stick, labelled with the project name, and two printed copies in binders, for presentation to the Owner.

All documentation must be submitted at least two weeks prior to the end of the holdback period. No holdback monies will be released until all the above is completed.

Yours very truly,

**Barry Bryan Associates**
