

Substantial Completion Certificate

Caledonia Standpipe Interior Re-Lining

Facility: Caledonia Standpipe
 Contractor: Corrcoat Services Inc.

Date of Issue: November 28, 2024
 Contract No: WWE-61-2024

THIS IS TO CERTIFY THAT, WITH RESPECT TO THE FACILITY:

- 1) The Contractor has complied with all provisions of the Contract relating to Substantial Completion, including, without limitation, construction, installation, and commissioning of the Work in accordance with this Contract (excepting only minor items that do not materially affect the mechanical, electrical, or structural integrity of the Work or the safe, reliable and efficient commissioning, and operations thereof), including, without limitation:
 - (a) Tank Coating has been achieved;
 - (b) Project associated equipment has been installed;
 - (c) Performance tests have been completed and performance criteria have been met;
 - (d) The Work is sound in all respects and all required pre-operations testing has been completed satisfactorily and all systems are ready to turn over to the Company;
 - (e) Commissioning of the Work is complete, and the Work is ready for normal and continuous operation in accordance with the purpose for which it was constructed and the applicable provisions of the Contract;
 - (f) The Contractor has delivered to the Company, and the Company has accepted, this Substantial Completion Certificate and Punch List; and
 - (g) The Contractor has completed any other activities required to achieve Substantial Completion of the Work.
- 2) Upon achieving Substantial Completion, the Company shall take possession and control of the Work, or that portion for which Substantial Completion has been achieved. Subject to the provision of reasonable notice to the Company, the Contractor and Subcontractors shall have reasonable access to the Work following Substantial Completion as may be necessary or desirable to complete any unfinished Work, to make the Company-approved modifications or repairs, to carry out warranty obligations, or otherwise to fulfil the Contractor's obligations under the Contract.
- 3) The Contractor agrees to complete the attached Substantial Completion Punch List items by the date designated in this certificate; and
- 4) The Contractor and the Company agree that Substantial Completion has been achieved.
